

### **Code of Conduct**

At Appleton Thorn we believe that managing behaviour is all about developing, maintaining and repairing relationships, building a community based around empathy and self-learning, where children take responsibility for their behaviour. Our children are taught to empathise and understand the impact of their actions on others. Any mistakes are reflected on and as children get older they take more ownership of this reflection and their choices. The simple code below is used to guide our children.

**We are polite and use good manners.**

**We look after school property and the property of others.**

**We always do our best and never give up.**

**We take care of ourselves and each other.**

**We always join in and encourage one another.**

## HOME – SCHOOL AGREEMENT
