World Maths Day

On Wednesday 7th March we celebrated World Maths Day. Mrs Evans, our lead teacher for maths, gave each teacher enough boxes of Smarties for each child in their class to use in unique maths challenges. These ranged from making 2D shapes and numbers in response to simple questions in Reception class to probability problems in year 6, apparently you're least likely to find a pink Smartie in your box of treats! A good time was had by all (and of course we got to eat the Smarties!)

The School Library

Unfortunately due to other commitments Mrs Hall and Mrs Grindley are no longer available to run our school library. We are looking for two parents who can give some time to running our Library one morning a week. If you require further details please contact Mrs Hall (Isobel's mum in Year 3) or speak to the School Office. A full handover will be given and your help would be greatly appreciated.

Y2 & Y6 Parents Evening

Parents Evening for Year 2 and Year 6 children is on Monday 19th and Tuesday 20th March. A School Ping was sent out last night and appointments can now be booked via School Ping.

Parents Evening for all other years will be held on Tuesday 3rd and Wednesday 4th April, appointment details will be sent via School Ping on Thursday 23rd March 2018
