Headteacher: Mrs. Z. Jones

Dear Parent/Carer,

In our school we have pupils in school with severe allergies to peanuts and/or tree nuts and sesame. Because of the seriousness of these allergies, we are asking you to refrain from sending peanut, tree nut or products containing sesame to school for snacks or within packed lunches **with immediate effect**.

Please be aware that these allergens can be within many different foods and your diligence with checking labels on food brought into school is needed.

We ask that morning snacks brought in from home are **fruit only** to eliminate any potential risk of anaphylaxis, a potentially life threatening condition.

Our goal is to make school a safe place for all and we appreciate your cooperation and understanding with this matter. If you have any questions, please contact school.

Yours sincerely

Mrs Railton
Deputy Headteacher
