

## If people online are mean or worry me

### What Should I do?

- Tell an adult I trust straight away
- Try to stay calm
- Report anything that worries you to an adult you trust.
- Try to ignore the person
- Block and delete the person
- Keep all messages for evidence

### What should I not do?

- Do not keep worries to yourself
- Do not be unkind or nasty back
- Do not get angry or upset
- Do not allow the person to keep being unkind
- Do not delete the messages

What our school does to respond to e-safety issues

- We take online safety seriously
- We listen to the children involved and offer support
- We investigate and look at evidence
- We make sure children face up to the consequences of their actions
- We contact parents or carers.

E-safety policy

This policy was created by the Appleton Thorn  
Primary School council

## What is E-Safety?

E-safety means electronic safety. E-safety is important because it helps to keep children safe online so they can explore, enjoy and have fun!

The internet is great because:

- You can learn lots of things
- You can have lots of fun
- It can help with our school work
- You can stay in touch with friends and family

Some online dangers include:

- **Cyber-bullying** – nasty text messages and emails, swearing on Xbox, Playstations or other consoles.
- **Stranger danger** – Some people, who we talk to online, we don't know, so they are strangers.
- **Bad language**- Sometimes when we are online ,we can see or hear swear words that might upset us.
- **Content online**- some material online is not suitable for children to look at.
- **Viruses** – some emails contain viruses.

When we are online, we should:

# THINK

T – is it true?

H – is it helpful?

I – is it inspiring?

N –is it necessary?

K – is it kind?

Who is responsible for e-safety in our school?

Miss Bouch

All teachers and adults

People we should tell:

- Family
- Friends
- Teachers
- School council
- PCSO

How should I behave online?

S – safe

M – meeting

A – acceptable

R – reliable

T – tell
